

G7 Biceps Curl

MATRIX

Incremental Weights

Incremental weights are easily accessible from the seated position. Numeric selection allows users easy reference for future use.

Electronic Rep Counter

Integrated system tracks repetitions, activity time, and rest time for a simplified workout experience.

Exercise Placards

Conveniently located and easy to read exercise placards offer a quick reference to targeted muscle groups and proper machine use. Placards offer color references to easily identify muscle-group categories.

Action Specific Grips™

Ergonomically designed, function specific handles reduce stress on contact points to enhance user comfort.

FRAME AND CABLES
